## **Information about the speaker / Informationen zum Referenten**

---

**Speaker / Referent** Dr. Anastasia Kucherova

**Vita / Vita** Anastasia graduated with honours from the University of Arts and Industry Stroganov of Moscow at the Department of Environmental Design. In 2012 she moved to Milan to obtain the Master in Interior Design at the European Institute of Design (IED).

At the end of her studies, she started to collaborate with Stefano Boeri Architetti, where she still works. She is currently a Coordinator of the Special projects, following all the vital phases of various scale projects, from negotiation and project management to communication and public relations. Among the recent projects there's a scenography design for the Greek theatre in Syracuse, Sicily and the new access to the Domus Aurea in Rome. She has worked on several international competitions, such as EXPO 2017 masterplan in Kazakhstan, Contest for the master plan of the Mitino park in Moscow, Contest for the strategic plan of the lake system, Kazan, 2013-2015). She also worked on the strategic plan of the third industrial revolution proposed by Jeremy Rifkin for the region of Nord Pas-de-Calais in France, which she presented at the international conference in Lille in 2013.

Since 2016 she has been a guest speaker of the thematic conferences in Italy, France, Russia and other countries.
